Mr. Gould advises radio and television clients on operational, regulatory and compliance matters. Mr. Gould's primary emphasis is providing day-to-day operational and legal counseling to radio stations, including contests and promotional law, event management, advertising law including political broadcasting, FCC regulatory compliance, intellectual property, employment and labor matters including equal opportunity counseling, programming and syndication agreements, and negotiation and preparation of major talent and sports rights agreements. Mr. Gould also presents seminars for broadcast clients on business and regulatory compliance. Recently, he was a panelist on "Promotions and Marketing in an Eliot Spitzer World: When Spitz Happens," at the 2006 Radio and Records Convention.
